

A modern meeting place in a charming welsh town of unique character
 Training... meeting... celebrating...
The Montgomery Activity Centre

Located in the charming and picturesque Town of Montgomery the Activity Centre is a recently refurbished multi-use building available to hire for all your needs. It is an ideal modern conference and local community facility centre. Available for hire for lectures, conferences, training seminars and workshops, business meetings, exhibitions, receptions and concerts. It is also popular for children's birthday parties, youth nights, fundraising events and celebrations.

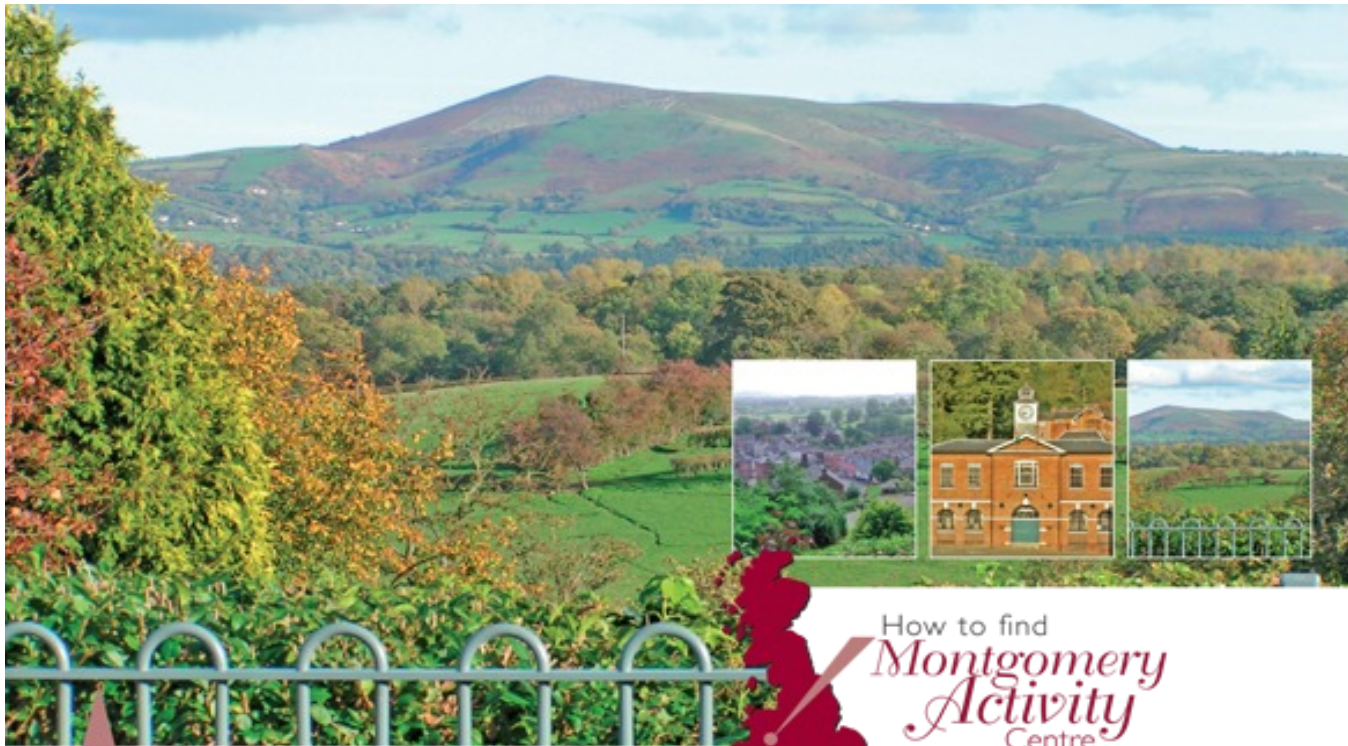

*is the place
for you*

This modern facility has a meeting room which easily accommodates groups of thirty people. There is a large hall suitable for group activities such as physical exercise, aerobics or games. Should you require even more space a dividing wall can be drawn back to allow access to the entire building. In addition there is a smaller, tastefully decorated meeting room with soft furnishings and television, ideally suited for more informal meetings or social events.

The Montgomery Activity Centre

A modern meeting place in a charming welsh town of unique character

The rear of the building has the outstanding view of the Shropshire hills thereby providing inspiration for art classes and creative workshops. Should your function require refreshments, there is a small kitchen. This unique centre is ideal for charities and voluntary organisations, who benefit from reduced charges, and commercial organisations who will appreciate the latest facilities in a unique setting.

How to find Montgomery Activity Centre
